Final version published online: 21-NOV-2014 Full bibliographic details: Sustainable Cities and Society (2015), pp. 334-341 DOI information: 10.1016/j.scs.2013.09.005

Dear Dr. Lai,

We are pleased to inform you that the final version of your article with full bibliographic details is now available online.

To help you access and share your article, we are providing you with the following personal article link, which will provide free access to your article, and is valid for 50 days, until January 10, 2015

<http://authors.elsevier.com/a/1Q48U7sfVYa5AV>

Please use this link to download a personal copy of your article for your own archive. You are also welcome to email the link to your co-authors and colleagues, or post the link on your own homepage, Facebook, Google+, Twitter or other

social media profile, to tell your network about your new publication. Anyone who clicks on the link until January 10, 2015, will be taken to the final version of your article on ScienceDirect for free. No sign up or registration is needed - just click and read!

As an author, you may use your article for a wide range of scholarly, non-commercial purposes, and share and post your article online in a variety of ways. For more information, please see www.elsevier.com/copyright.

Yours sincerely,
Elsevier Author Support
