Speakers' Spotlight – Mrs. Nicola Anklin & Mr. Daniel Kalutkiewicz

Mrs. Nicola Anklin
Director of Workplace Experience -
Asia Pacific Integrated Facilities Management, Jones Lang Lasalle

Nicola has a Hotel and Hospitality background where Guest services and seeing things through the eyes of the Customer are imperative for success. Having worked and trained in luxury hotels such as The Peninsula Hong Kong and Swire Hotels 'The Opposite House' in Beijing and 'The Upper House' in Hong Kong, she has brought that knowledge across industries to Facility Management and implemented key training programs and management tools both to on-site teams and in consultancy projects around Asia for JLL. Saturday, April 11, 10:00 - 12:00

[Register Now](#)

Hong Kong generates around 4,200 tons of organic waste daily, including more than 3,000 tons of industrial, commercial and domestic food waste. There are various types of organic waste and animal carcasses, however, only around 4% is being recycled.

Join this event to have an overview of organic waste management facility, insight to hydroponic farming system, and guided tour to the aquaponic system.

POST-CONFERENCE EVENT : Guided Tour to Towngas Green Kitchen

Friday, May 8, 14:30 - 16:00

[Register Now](#)

Launched in 2012, Towngas Green Kitchen demonstrates the latest environmental friendly energy-saving cookers, and provides consultancy service so as to enhance efficiency and save energy. Join the event to experience the impressive functions of the cookers and exchange ideas on energy conservation and environmental protection.
